## FINANCIAL AND COMMERCIAL.

SATURDAY, August 9-6 P. M. Money is very abundant at 4 per cent. Certificates of indebtedness are a fraction lower. Exchange is quoted at 124% a 125 for bankers' bills.

Gold was freely supplied this morning at yester-day's price, and sold down to 11234. There was an active business done at the board te-day, and governments were better. The sixes of 1:81 rose %, and the 7.30 notes 1/4. Railways conds were in good demand. The assented ortgages of the Chicago and Northwestern rose per cent. These Northwestern bonds are the liveliest securities of their class. Central fell % per cent, Michigan Central 34, Southern (old) 36, guaranteed 36, Illinois Central 34, Toledo 36, Rock Island 1/4. Galena was firm at yesterday's price. It is being picked up in small lots by Western investors. The Eries opened firm at yesterday's price, but closed 1/4 lower on sales to realize profits. Pacific Mail was 1/2 lower. The market at the close was dull. There seemed to be a general indisposition to operate, which was doubtess partly due to the weather.
